SUMMARY

People Operations professional with 5+ years owning the employee lifecycle (recruiting coordination, onboarding, performance cycles, payroll and scheduling) for a 40+ person, $15M business unit. Builds the systems behind a smooth employee experience: rebuilt onboarding to cut new-hire ramp time from 90 to 30 days, shortened time-to-fill from 30+ days to under 2 weeks, and sustained sub-6% turnover. Handles confidential employee and client data with discretion. 12+ years of parallel fully remote work with clear written communication, self-directed prioritization, and ownership without waiting for instructions. Seeking a remote-first, early-stage People Ops team.

PROFESSIONAL EXPERIENCE

Sephora *Seattle, WA*

People Operations Manager — Store Leadership | *Mar 2021 – Jan 2026*

- Owned the full employee lifecycle for a 40+ person team (recruiting, onboarding, performance management, payroll, scheduling), serving as the site's primary point of contact for corporate HR and regional leadership on policy rollout, compliance updates, and program communication.
- Rebuilt onboarding from a checklist of modules into a structured program with peer-shadow days, manager-led readiness checks, and 30-60-90-day follow-ups: 100% module compliance, new-hire ramp time cut from 90 to 30 days, 80%+ new-hire satisfaction, and sub-6% turnover. The template was adopted by other teams.
- Coordinated recruiting end-to-end using an AI-enabled ATS (Eightfold AI): candidate shortlisting, prescreens, interview scheduling, and offer handoff. Cut prescreen and resume-review time by 10+ hours per week and reduced time-to-fill from 30+ days to under 2 weeks.
- Administered payroll processing, labor budgeting, and workforce scheduling in Dayforce, using Tableau reporting to track headcount and staffing, sustaining a 24% profit margin on 6% YoY revenue growth.
- Managed employee records and confidential employee relations matters (performance conversations, interpersonal conflicts), resolving issues early and escalating to corporate HR when appropriate, utilizing Workday and SuccessFactors
- Led people-side change management through a full store remodel and POS/technology transition, training 60+ employees and keeping engagement and client satisfaction above benchmark.

Nordstrom *Seattle, WA*

Cosmetics Business Manager | *Oct 2016 – Feb 2021*

- Maintained client records and purchase history in a CRM in compliance with data privacy best practices, with a strong record of confidentiality and policy adherence.
- Supported a team-wide adoption of a new digital sales tool through one-on-one coaching, building lasting workflow habits.
- Grew average client transaction value by 60% and generated $700K+ in combined annual revenue across two product lines through event programming and cross-functional partnership.

Independent Contracting Services *Remote*

Freelance Brand & Communications Consultant — Remote Program Management | *2013 – Present*

- Independently managed 12+ years of concurrent client engagements fully remotely, owning scope, timelines, quoting, invoicing, and stakeholder communication from brief to delivery, with 100% client satisfaction.

- Built durable habits for async communication, request-to-completion project tracking, and self-directed prioritization across time zones.
